

Group Whole Life Insurance at a Glance

Our group whole life insurance provides smart, convenient protection that also helps you achieve your financial goals.

CONSIDER THE ADVANTAGES:

MassMutual@WORK Group Whole Life Insurance provides coverage at a set premium, builds cash value over time you can borrow from¹ and pays a death benefit to your loved ones. Group Whole Life Insurance may be easier and more affordable than you think.

Provides guarantees:

- Guaranteed death benefit
- Guaranteed level premiums
- Guaranteed cash-value accumulation

Dividend eligible²

MassMutual@WORK whole life certificate owners are eligible to receive dividends. During enrollment, you'll have the opportunity to select the dividend option that fits you best. Options include:

- Cash
- Dividend accumulations
- Paid-up additional insurance

Read more about these dividend options when you enroll. While dividends are not guaranteed, MassMutual has paid them to eligible participating policyowners every year since 1869.

Portable, lifelong coverage

You own the certificate along with the accumulated cash values and you can take it with you even if you leave the company. Additionally, if you leave the company and take your certificate with you, you can change your dividend option and choose to have your dividend payments reduce your premiums.

Tax advantages

Whole life insurance policies offer a combination of valuable tax advantages, including:

- Generally income-tax-free death benefit
- Tax-deferred cash-value growth

Terminal illness provision

As the certificate owner, you can receive an advance, or acceleration, of a portion of your death benefit if you are diagnosed with a terminal illness expected to result in death within 12 months (this period may be 24 months in some states).

Please be sure to review all of the features of your coverage.

¹ Access to cash values through borrowing or partial surrenders will reduce the policy's cash value and death benefit, increase the chance the policy will lapse, and may result in a tax liability if the policy terminates before the death of the insured.

² Dividends are not guaranteed. The certificate is eligible to receive dividends beginning on the second anniversary.

Waiver of premium rider

The waiver of premium rider ensures that your life insurance protection will stay in place, and your cash value will continue to grow, if you, the insured, are totally disabled and may not be able to pay the premiums. This rider is attached to each certificate for employees age 18–60 and activates following a continuous six-month waiting period. When activated, the premium for the certificate and any riders included with the certificate will be waived for the duration of the insured's disability. It will terminate when the insured reaches the attained age of 67 (state variations may apply).

Whole life insurance for spouse and dependents

You have the option to apply for \$25,000 of whole life insurance coverage for your spouse and each dependent child and grandchild. Spouse and dependent group whole life certificates provide the same features as the employee basic coverage. (Riders are not available with this coverage.) This coverage provides separate certificates for each spouse, child and grandchild, and is available to spouses between the ages of 18 and 60, and children or grandchildren between the ages of 14 days to 26 years. Must be a dependent based on federal tax rules. Your employer has elected this rider and it has an additional cost.

State variations may apply.
